

All materials supplied are in compliance with the requirements of the List of Prohibited Substances

CONFIDENTIAL:
This document is our property and shall not without our permission be altered, copied, used for manufacturing or communicated to any other person or company.

IMPORTANT NOTE :
Do not install the air dryer at a low point of a large compressed air system as accumulation of water at low points in a large system could overwhelm the water removal capability of the installed filter drain.

Tolerances, if not indicated, according to:
